## Summer Staff Positions

Activities Assistant- The Activities Coordinator is responsible for planning, organizing and implementing an Activity Program to meet the physical, mental and spiritual needs of the campers. This position will oversee the day to day activities of the department and will be responsible for developing and ensuring that all information related to activities is posted and communicated to all staff, campers and other necessary individuals or groups in a timely, effective and appropriate manner.

Cabin Leader- The Cabin Leader is responsible for overseeing the activities of the assigned cabin, campers and volunteers. This position will direct and assist volunteer Cabin Counselors in providing direct personal care to assigned campers as well as assisting with their behavior management. In addition the Cabin Leader will assist the Activities Assistant with implementing daily camper activities.

Camper Care Supervisor- The Camper Care Supervisor is responsible for overseeing that proper care is being provided by the assigned Cabin Leaders and volunteers to the campers. This position will direct and assist Cabin Leaders and the volunteer Cabin Counselors in providing direct personal care to assigned campers as well as overseeing campers' behavior management is being correctly implemented. In addition the Camper Care Supervisor will assist the Activities Assistant with implementing daily camper activities and helping with the leading of activities.

Helping Hands Supervisor- The Helping Hands Supervisor is responsible for overseeing the activities and scheduling of the assigned support staff volunteers. This position will oversee the running of the camp snack shop and direct and assist volunteer support staff in fulfilling their assignments. They will assist in the training and orientation of volunteer helping hands regarding serving, cleaning and activity duties that pertain to camp.

Nurse Assistant- The Camp Nurse Assistant is responsible for assisting in direct care and treatment to the DD clients to meet their daily physical, mental, educational and spiritual needs. This position will also be responsible to assist in filing the daily medical documentation under the direction of Camp Nurse and will assist other staff in their documentation as necessary. Work requires a working knowledge of Nursing and Medical protocols, concepts, principles, and regulations.

Program Maintenance- The Program Maintenance is responsible for supporting the Activities Assistant with set-up for various camp activities. This position will also work closely with Camp Operations and Activities Director on light maintenance and day to day operations. Tasks will include: setting up chairs and tables, setting up AV equipment, facilitating Go-Karts and Paintball, building fires, etc. All training will be provided. Tractor experience is not necessary for job, but would be helpful.
