Camperships are awarded according to need. In order to be eligible for a Campership, the following guidelines must be met:

1. Fair consideration is given to all requests upon accurate completion of this form. Information withheld may result in refusal of aid. The application fee is not covered by any campership funds.
2. Camp Application including required deposit **MUST** be received before consideration will be given to the Campership request.
3. Please request no more than the amount you need. Funds are limited, and many more people need assistance than we may be able to grant. Adults 18+ may only apply for 50% of the camp fee.
